TO THE USE OF WATER, BOTH SURFACE-)      DISTRIBUTION OF WATER

Comes now, Guy L. Taylor, Individual, Naomi Taylor, individual, Brad N. Taylor, Individual, Serena Taylor, Individual, John R. Davies, Individual, Freda Davies, Individual, Alice Firth, Individual, Ben Mitchell, Individual, Eldora Mitchell, Individual, Steve Wardle, Individual, Sue Wardle, Individual, Steve Greenwood, Individual, Doris Greenwood, Individual, who individually,

wish to protest any and all common use of water rights.

We further respectfully request the court to protect our individual water rights which many date back to 1907. We individually consider any changes as being with prejudice, since we are not a party to any agreements which would allow for a common use of water. Our water is priority water as evidenced by the following certificate numbers, 471, 518, 812, 1653. All call for a continuous flow from April 1, until October 15, 1.65 cubic feet of water per second. Water is the life blood of our land.
